Caracas hosts solidarity with Cuba conference

Caracas, Feb 23 (RHC)-- The 3rd national conference of solidarity with Cuba in Venezuela began sessions Friday in Caracas, the country's capital.

The event pays tribute to National Hero José Martí and the 123rd anniversary of the beginning in 1895 of Cuba's 'Necessary War' against Spanish colonialism.

Organizers said that during the solidarity event, participants are renewing their support for Cuba against constant attacks by the enemies of both the Cuban and the Bolivarian Revolutions.
