

Fidel Castro Meets with Vietnamese Premier Negoyan Tan Dung

Havana, March 27 (RHC) Cuban Revolution leader Fidel Castro met on Wednesday with visiting Vietnamese Prime Minister Negoyan Tan Dung, Granma newspaper reported.

During the fraternal meeting, Negoyan Tan Dung and Fidel Castro reviewed the historical relations between Cuba and Vietnam, the experience of both countries in terms of social and economic development and the dangers posed on humanity by climate change and by the provocations of Imperialism.

Fidel briefed the Vietnamese Premier about the experiences on Cuban research studies that can increase of food production and, being free of genetic manipulation, may prevent serious consequences for human health.
