

Cuban duo Buena Fe releases new music video for their track “Cámara Lenta”

Popular Cuban duo Buena Fe began June with the launching of a new music video for their tune “Cámara Lenta” on digital platforms, in times of the Covid-19 pandemic.

Written by Buena Fe lead singer, director and composer Israel Rojas, Cámara Lenta is included in the duo’s latest album Carnal, which was released in November 2019 on occasion of the group’s 20th anniversary.

Directed by Leandro de la Rosa, the new music video is now available on the Facebook pages of Buena Fe and the Cuban Music Institute, as well as on the YouTube channel of the Cuban Ministry of Culture and a network of more than 100 Facebook pages.

Despite social distancing and movement restriction rules in place in Cuba over the past few months due to the Covid-19 pandemic, Buena Fe has remained very active with several projects over the internet, offering their art and conveying messages of hope to their fans and of gratitude to health professionals, who are on the frontlines fighting the pandemic in Cuba and elsewhere.

Their single 'Valientes', from this same album 'Carnal' has become an anthem in the struggle against the pandemic, as well as a tribute to Cuban health personnel fighting the Covid-19 anywhere in the world.
