Havana, February 21 (RHC)-- Team LeBron won the National Basketball Association (NBA) All-Star Game for the fifth consecutive year with a 163-160 victory over Team Durant.

LeBron James himself sealed the victory that closed the All-Star weekend in Cleveland, capital of the state where the "King" was born and began to forge his legend.

Another Ohio native, Steph Curry, was voted Most Valuable Player (MVP) after setting an All-Star record for three-pointers (16) and scoring 50 points, just two shy of the mark set in 2017 by Anthony Davis.

For Team Durant, Cameroonian center Joel Embiid shined.
