irregular Cuban migrants returned from the Cayman Islands

Havana, March 16 (RHC) A flight from the Cayman Islands brought back 10 Cuban boat lifters who had left the country illegally, as reported on Wednesday by Cuba´s Interior Ministry (MININT).

The web page detailed the return was conducted on Tuesday at the José Martí International Airport.

This is the fifth operation from the Cayman Islands, totaling 65 people and 46 from several other regional nations. (Source: PL)
