In Mexico, another journalist has been found dead. Luis Martín Sánchez Iñiguez, a staff reporter for the newspaper La Jornada, had been missing since Wednesday.

Mexico City, July 10 (RHC)-- In Mexico, another journalist has been found dead. Luis Martín Sánchez Iñiguez, a staff reporter for the newspaper La Jornada, had been missing since Wednesday.

The journalist's body was found over the weekend near the city of Tepic in the state of Nayarit.

Local officials said his body showed signs of violence, with two handwritten signs affixed to his corpse, though they didn't reveal what the messages said.
