Protests last year at Oscar awards ceremony / March 10, 2024

Los Angeles, March 2 (RHC)-- For a second year in a row, pro-Palestinian protesters have rallied blocks away from the Dolby Theatre in Los Angeles, hoping to draw attention to continued Israeli abuses.

Last year's ceremony was delayed by approximately six minutes, as the result of the protests.

The activist group Code Pink said they wanted to highlight "Hollywood's complicity in Israel's genocide."
