

Cuban president marks second day of official visit to Belarus

Image not found or type unknown

Havana, June 26 (RHC)-- Cuban President Miguel Díaz-Canel, on his second day of an official visit to Belarus, visited the Minks Tractor Plant (MTZ), a public corporation with a long history of relations with Cuba.

According to the Presidential X account, particular interest was drawn to the production of tractors, equipment that has been present in Cuban fields for years.

To date, 12 modern Belarus 321m tractors have been assembled in Cuba, and another 42 will be assembled soon. The Cuban president toured an exhibition there, featuring a selection of equipment produced by Belarusian companies.

He acknowledged its high quality and noted that Cuba is open to continuing to work together with #Belarus in this important area of ??development.
