

Orlando International Airport will offer flights to Cuba starting July 8

Orlando, FL, May 2, (RHC), -- Direct weekly flights to Cuba from Orlando International Airport will start July 8, marking the first time in decades that people can leave from Central Florida to the island nation 90 miles south of Key West.

Island Travel & Tours, based in Tampa, will fly each Wednesday from Orlando International to Havana, Cuba, said company owner Bill Hauf. A roundtrip coach ticket will cost \$429 for the hour and 15 minute flight, he said.
