

Mexican Activist Who Led Search for Missing 43 Students Found Dead

Mexico City, August 10 (RHC)-- In Mexico, an activist who has led the search for the missing 43 students in the southern state of Guerrero was found shot dead inside a taxi on Saturday.

The activist, Miguel Ángel Jiménez, had uncovered mass graves near the city of Iguala, where the 43 students disappeared after an attack by local police in 2014.
