

Cuban President Raul Castro Congratulates Workers at Meteorology Institute

Havana, October 13 (RHC)-- Cuban President Raul Castro sent a message of congratulations on Monday to all workers at the Meteorology Institute on its 50th anniversary.

In his message, dated October 12th, the Cuban president says that on the occasion of the fiftieth birthday of that prestigious and scientific institution, he sends his congratulations and acknowledgement for having met all missions assigned over the years.

In the face of current and future climate challenges, "keep ahead and committed and always alert," concluded Raul Castro's message to the workers.
