

# *Denmark Confirms U.S. Sent Rendition Flight for Edward Snowden*

---

Copenhagen, February 6 (RHC)-- Denmark's Radio Copenhagen (RHC) confirmed on Friday that the U.S. military had landed a rendition flight in the country. The revelation that the U.S. landed a rendition flight in Denmark came after the U.S. military had been reported to have landed a plane in the country. On Friday, however, it was reported that the plane had been used to transport a U.S. military official. "The purpose of the plane's presence in Denmark is to transport a U.S. military official," a Danish official said. Denfri first broke the news after obtaining documents from the U.S. military.
